

A Note from the BOMA Community Affairs Committee:

THANK YOU

to all our volunteers!

Shovels, rakes and dirt... Nearly 30 volunteers roll up their sleeves to spruce up Southfield's Code House.

Adopt a Park was the first project for this year's Community Affairs Committee.

City officials and nearby neighbors stopped by with their thanks and appreciation.

Thanks to the following companies and their volunteers that that made the day a great success: Allied Barton Security, Belfor, CBRE, Flame Furnace, Kirco, Johnson Controls, PRS Management, REDICO, REIT Management & Research, Schostak Bros & Co, WH Canon and **Sterling Cleaning Services, Inc.**

Sincerely,

**BOMA of Metro Detroit
